New Brighton Club

Residents can enjoy four seasons of recreational fun at the private New Brighton Club . Located on a 3-acre site, the clubhouse is the center of activities, offering a wonderful recreational space for programmed activities, community meetings and club events.

The 6,500 sq. ft. building contains office and storage space and several multi-purpose rooms for such things as parent and tot classes, workshops, special events and programmed activities like yoga and fit ball or booking your own special occasion. Residents can also enjoy patio and deck space that provides wonderful panoramic views of the community and mountains to the west.

In future, the building site can be expanded to contain a 4,400 sq. ft. gymnasium - perfect for floor hockey, basketball and community events – as well as additional meeting rooms and locker rooms. Staffing includes a full-time recreational programmer, who will be on-site to organize all types of recreational

activities for all ages. Programs are offered quarterly throughout the year, and are based on 10 week sessions. Special Events are offered for the whole community to enjoy. Events include: Stampede Breakfast, Halloween Party, Used Toy & Clothing Sale, Christmas Party, Hockey Tournament, Easter Open House & much more.

Outside, the water play area makes a splash with families on those hot summer days with 32 water plume jets. There are also 2 tennis courts, volleyball and basketball courts as well as a children's play area. In the winter, families can enjoy ice-skating and hockey on a full sized outdoor rink as well as a pleasure skating area.

Located on New Brighton Drive, The New Brighton Club is a central amenity that all residents can enjoy.

For more information please contact the Club at 781 6613.
