

The New Brighton Residents Association (NBRA) is closely monitoring the developments related to COVID-19 and following guidelines from local health authorities. The health and safety of our residents, staff and patrons are of the highest importance to the NBRA.

On October 26, 2020, the Alberta Government released new mandatory guidelines and protocols with regards to social gatherings, by setting limits to 15 people per gathering. The NBRA had to make a very difficult decision to postpone all facility rentals for the months of November & December while these restrictions are in effect.

The NBRA apologizes for any inconvenience these limits may have caused, this decision did not come lightly and again was made with everyone's health and safety top of mind. We will re-evaluate the situation at the end of December.

At this time, the NBRA will continue to accept facility rentals for January and onwards, however please note that bookings may be subject to cancellation or change due to the Covid-19 pandemic.
